United States District Court  
844 King Street  
Wilmington, DE 19801

***Re: Wayne Van Scoy v. Kurt Van Scoy, et al.***  
**C.A. No. 05-108-KAJ**

Dear Judge Jordan:

Enclosed for the Court's consideration is a stipulation extending time for Defendants to file a Reply Brief to Defendants' Motion to Seek Leave to Amend its Answer, Counterclaim and Affirmative Defenses. This stipulation is being submitted because my colleague, Charles Quinn, needed to leave town on short notice due to a serious illness in his family.

The Court's consideration is appreciated.

Respectfully,

Sharon Oras Morgan (#4287)
